Kindergarten 2016
Parents of Kindergarten 2016 students are invited to an Introduction to Belair School meeting tonight from 6.15pm–7.30pm in the school hall.
Please note this is a parent only evening, however if you need to bring your child they will need to stay seated with you for their safety.
Looking forward to meeting you all tonight.

Professional Development
In December of each year, teachers spend two days after students finish in School Development Days.
This year, the staff of Belair is completing one of those days with two 3 hour after school sessions.
The second of these sessions is on Thursday afternoon from 3:30pm – 6:30pm.
Teachers will be further developing their understanding of the Australian Professional Standards for Teachers and completing a course on the Disability Standards 2005.

Students Arriving Late
School begins at 9am and finishes at 2.55pm.
If your child arrives late in the morning, a parent must accompany them to the office and sign a yellow Late Note before they go to class.
If your child is absent from school, parents must send a letter of explanation to the child’s class teacher when they return.

Chess News
The Knights team competed today and it was a great experience for them as they develop their Chess skills.

Payments Online to the School
Thank you to all the parents who are paying school items through the online payment system.
As it is in all cases, it is important to remember money needs to be paid at least two days before the due date otherwise payments will arrive late.
We thank you in anticipation.

Art Show Preparations
As part of our Art Show, Belair Public School would like to invite all knitters and crochet experts to join us to create a community-made works of art. If you have a talent and passion for knitting and / or crocheting, would you like to assist us in our textile art work. All types of stitches and patterns are acceptable as long as the piece is 45cm wide. The length of your piece may vary as we are looking to join the pieces together in a patchwork fashion. If you are interested please submit your pieces of knitted or crocheted work to Mrs Purdy prior to the Art Show. Students interested in participating, will meet at lunchtime on Thursdays and are encouraged to bring their own crochet hooks and knitting needles. Wool will be provided for students.

Sport News
Congratulations to the Belair team who attended the Zone Athletics Carnival over the last two weeks.
The following students will now be representing Belair at the Regional Athletics Carnival on Friday 28/8/15.
Good luck to everyone!
Library News

As you know the school library is a very busy part of the school. With that in mind, have you ever considered becoming a parent volunteer in the library? We are in a desperate need of helpers to cover books so we can get our valuable resources onto library shelves. With so many books constantly arriving at the library to be processed, it can be difficult to get the final stage of book preparation done.

If you would like to come along to the school library on a Monday morning, our school Teacher / Librarian Ms Kelly and her assistant, would love to train you in this area. It's amazing how much you can achieve with a pair of scissors, contact or plastic whilst enjoying a cuppa and a good laugh.

We are looking forward to seeing you next week.

2015 Uniform Moratorium Survey: Every 5 years, the uniform is reviewed in consultation with staff and parents. Changes to the uniform may not be made at other times. The uniform was last reviewed in 2010 and is due for review in 2015. Feedback is being sought from parents on two issues: (1) any changes to the style of the current uniform (2) The possibility of changing the point of sale for the uniform. We ask parents to take the time to complete the 5 minute survey which can be found at: http://goo.gl/forms/586YpEqBse

The survey will be closing on 11/8/15. Parents who require a paper version of the survey, please contact the school office.
