I would like to congratulate all new and re-elected members of the P&C executive. Thank you to any outgoing office bearers. The work done by the P&C is highly valued by our school and community.

The school App has been replaced. There are lots on new functions we are starting to play with. Information will be sent out via the newsletter.

Year Six Canberra Excursion- We are looking at moving the excursion next year to after the holidays to avoid clashes with the plethora of sporting activities in late term 1. This will also give our families more time to pay for the camp.

The LMBR finance and student management software has been delayed. Awaiting further notice.

Slight mis-calculation with the cost of turfing the area near the Stage outside Year 6. Cost is closer to $4500 than 1500. Warwick got costings on supply only- installation is somewhat more expensive. We are hoping for 1200 from Telstra thanks to Jenny Peterson and some money from the Year 6 gift from last year will get us across the line.

Warwick needs a P&C report for the Annual School Report please. Last year’s can be used as a model with edited information where required.

It was with mixed emotions I heard that Louise was leaving the canteen. Her new job is great news, however she is a true treasure and will be greatly missed by the kids, teachers and parents at Belair.
